REGATTA MERITAGE

Dry Creek Valley

In the 1980s, Founder David S. Stare and a group of California winemakers came together to create a classification for American wines blended in the Bordeaux tradition.

With the 1985 vintage, Dry Creek Vineyard was the original winery to use the term “Meritage” — a combination of the “merit” of the grapes and the “heritage” of the blending tradition — on a wine label.

A new package with original artwork by Sonoma County artist Michael Surles honors our family’s sailing heritage.

Regatta is a luxurious blend of the five Bordeaux varieties, with a smooth and supple base of Merlot.

Aged 19 months in French, European & American oak;
30% new oak

Limited production: 250 cases

Dry Creek Valley has the ideal topography for exceptional Bordeaux varietals with steep hillside and benchland vineyards that produce intensely flavored grapes.

High iron content in the soil produces wines with bright red cherry fruit and dried floral aromatics, along with an earthy complexity.
