AVERAGE VINE AGE 95+ YEARS	YIELD 2-3 TONS/ACRE	APPELLATION DRY CREEK VALLEY	BARREL AGING FRENCH, HUNGARIAN & AMERICAN OAK
--------------------------------------	-------------------------------	--	---

Dry Creek Vineyard was the first to coin the term “Old Vine” in 1987 for wines made from pre-Prohibition vines.

Produced from historic, dry-farmed vines averaging more than 95+ years in age, resulting in more intense flavors.

Packaging honors the iconic nature of the old vines and details winemaking and geography.

Patented cork closure is laser-printed with data such as the age of the cork forest, harvest date of the trees and sustainable habitat information.
